

High-Performance Funding

Get. It. Done.

**OPPORTUNITY DOESN'T
HESITATE. AND THAT'S
WHY WE'RE HERE.**

In 2010, we launched Reward to fill the fast-growing void left by traditional funding. We had one goal: to help entrepreneurial people like you thrive. This grew into a set of principles that defined the Reward way: providing high-performance, asset-secured funding for ambitious entrepreneurs who need to act quickly.

Now, over 15 years later, we're recognised as the original alternative finance provider. And we're still guided by those founding principles. They're our golden rules. They're how we unlock the decisiveness, flexibility and finance you need to achieve rapid success. And, ensure you're ready to strike when opportunity calls.

REWARD PRINCIPLE ONE

Digging Deeper.

UNDERSTANDING YOUR
WORLD, NOT JUST YOUR
NUMBERS.

Business never moves in a straight line. And entrepreneurs are shaped by the journey it takes them on. It's what makes you unique. Our job is to see the human and understand your story, experience and ambition. By getting the big picture, we help you bypass the red tape that holds other lenders back and provide you with the right finance quickly, simply and responsibly.

DIGGING DEEPER

The yes in a world of no.

BUSINESS IS IN CONSTANT FLUX.

Once, accessing flexible business finance was easy, enabling you to seize fast-moving opportunities or smooth out cash flow. But that's no longer the case. Meanwhile, opportunities and challenges multiply.

Reward is an alternative finance solution like no other – decisive and dependable. We work with businesspeople who need quick decisions, who are frustrated with the quagmire of bureaucracy.

Backed by decades of banking experience, our team combines seasoned expertise, hard data and sharp instinct with a rounded view of your opportunity, goals, challenges and unique circumstances. With this, we unlock success at lightning speed. And ensure that, when the time comes to make your move, we're ready to set your ambitions in motion.

Moving Quicker.

BLAZING A TRAIL WHERE OTHERS FOLLOW.

Delay kills opportunity. For enterprising people, being ready means relying on prompt decisions and swift resolutions to set your plans in motion. So, we don't just act; we leap into action.

MOVING QUICKER

Less procrastination. More acceleration.

IN YOUR FAST-PACED WORLD, TIME IS OF THE ESSENCE.

So we keep the process of getting your funds speedy and simple, with bend-over-backwards helpful service and fast decisions you can depend on.

From day one, you'll work with a dedicated point of contact. They'll act as your partner, understanding your goals and doing everything in their power to make them happen. No red tape, no time wasted – just direct communication and an open mind. Because, like you, we trust your instincts.

Once we've committed to the right funding, we never go back on our word. You can move forward with confidence, knowing you have our full backing.

WE'RE INSTINCTIVE.

We ask the right questions to secure the right funding.

WE'RE AGILE.

Our approach is straightforward, but that doesn't mean we follow straight lines.

WE'RE DYNAMIC.

We don't stick to a rigid sequence of steps; instead, we twin-track deals, tackling multiple stages at once for speedy results.

WE'RE DECISIVE.

An agreed deal is a done deal.

SEIZE THE MOMENT WITH:

- **One-to-one support.** From humans, not robots.
- **No tick boxes, no delays.** We unlock the funding other lenders won't.
- **Rapid delivery.** Get funds in days.

REWARD CLIENT

"When they commit, they commit. They won't change anything and that means I know it'll go smoothly."

REWARD PRINCIPLE FOUR

Thriving Together.

INVESTING IN SHARED SUCCESS.

Most businesses are built on their clients' success. Ours is no exception. Alongside our introducers and advisers, we stand shoulder-to-shoulder with ambitious businesspeople, breaking down barriers to high-performance funding solutions. As passionate believers in potential, we throw ourselves into the entire process and celebrate your achievements like our own.

THRIVING TOGETHER

Powering businesses through our introducers and advisers.

As the eyes and ears of our business, our introducers and advisers are invaluable. While they're working on the front line, we're solving challenges behind the scenes and building the bespoke financial packages you need to get ahead.

WHY DO INTRODUCERS CHOOSE REWARD?

Our introducers' reputation is our reputation. That's why we always respond quickly, endlessly evolve our services to reflect their needs as well as your own, and never simply provide off-the-shelf solutions.

FAST DECISIONS

We know urgency is critical, so we act fast. We'll help our introducers ask the right questions, cut the paperwork down to size, and streamline the credit process to meet your deadlines faster. Being 100% self-funded speeds up responses and means fewer delays, too.

HONEST APPRAISALS

If a deal can be done, rest assured, we'll do it. Fast. If it can't, we let our introducers know upfront and give them an honest appraisal so you can quickly explore other options.

TAILORED SOLUTIONS

Creating one-off financial packages for one-off projects is what we do best. Whether an introducer is supporting you in solving your cash flow problem or helping you take advantage of a one-off opportunity, we can put the funding together to help you move forward.

TRANSPARENT COMMISSIONS

We genuinely trust our introducers' insight and the focus they bring to your dynamic circumstances. And we want them to trust us. So, when it comes to fees and commission, we're open and honest. We don't believe in locking them, or you, into lengthy contracts.
